This Amendment is responsive to the Office Action mailed April 24, 2002. Please amend the above-identified patent application as follows:

IN THE CLAIMS

Please add claims 47 – 51.

Please amend claims 1, 15, 19, 22, 26, 35, and 38 as follows:

A¹ 1.(Amended) A portable, single-use container for separately containing a first and a second consumable product, the container comprising:

a first compartment for containing a first consumable product, the first compartment tapering at an upper portion thereof to form a spout forming a passage along a spout internal surface; and

a second compartment for containing a second consumable product, the second compartment tapering at an upper portion thereof to form a mouth forming an opening along a mouth internal surface;

wherein the first and second compartments are assembled to one another in a side-by-side fashion such that the mouth abuts the spout, and further wherein upon final assembly, the spout and mouth are positioned such that each of the respective internal surfaces define an interior section and an exterior section, the exterior
